## Ingredients:

Cherry tomatoes

Bocconcini (mini size) or mozzarella balls

Fresh basil

Wooden skewer or medium-sized toothpick (for smaller skewers)

Balsamic vinegar

Salt & pepper

## Preparation:

Assemble, tomatoes, bocconcini, and basil (fold in half) on skewers or toothpicks. Skewers work well when including two of each ingredient, whereas toothpicks are perfect for minis (only one ingredient on each stick).

Drizzle with balsamic vinegar and with sprinkle with salt and pepper to taste.
