Tools:

6 qt crockpot
handful toothpicks

Ingredients:

4 chicken breasts
8 slices bacon
1/2-3/4 cup BBQ Sauce
juice of one lemon
2 apples, peeled and grated

Preparation:

1. Using toothpicks, wrap two slices of bacon around each chicken breast. Place wrapped chicken on the bottom of the crockpot. They may overlap which is ok.
2. Mix BBQ sauce, lemon juice and grated apples together in a bowl. Pour over chicken, taking care to cover each breast as best you can.
3. Cook on LOW for 8 hours.
